Local Gossip

The city council meets Monday night.

Bill Humber, who killed Policeman Pollard, on Battle Row, court day, continues to improve and will soon entirely recover from his wound.

This office has been undergoing improvements, and the painter and carpenter have now made it one of the most convenient and handsomest in the state. The latch string always hanging on the outside for our friend.

Buys New Safe.

The National Bank of Lancaster has just installed one of the latest improved and best safes in Central Kentucky. The door is of the screw pattern, and the safe is absolutely fire and burglar proof.

Lancaster Man Honored.

At the election of officers of Ryan Commandery, held at Danville last week, Sir Knight J. W. Sweeney of this city was elected Sword Bearer, an honor which is duly appreciated by his many friends in this city.

A Pretty Job.

The papering, and especially the oak graining done by Henry Tevis on the new Masonic lodge room has been highly complimented, in fact it is the prettiest work of the kind in town. Tevis is one of the very few men who do graining, and his services are always in demand.

The entertainment given by the "C. W. B. M." in the home of Mr. and Mrs. Mount Tuesday afternoon and evening for the benefit of Mountain Missions was a very delightful affair. The decorations were most attractive and the refreshments very delicious. The hospitality of this home is well known, and on this particular occasion was the most delightful feature of the entertainment. The C. W. B. M. is grateful for the thank offering received and promises that it will do good to those less fortunate than the givers.

Her Prospects Grow Brighter.

The remarkable gain made by Garrard county's entry, Miss Mary Lear, in the Tour of Europe Contest, is very gratifying to her many friends here and elsewhere. As stated in recent issues of The Record, she has a splendid chance to win, and will do so if the people will assist her by sending her the coupons from the daily Courier Journal. Full description of this Contest is printed in every issue of the Courier Journal, and the Garrard county people should show their pride by helping Miss Lear to get the benefits of the delightful trip. Send your coupons to her at Paint Lick.

The lecture by Dr. Eaton, at the court house was largely attended and greatly enjoyed. Dr. Eaton is a good talker and a deep thinker, a man whose work will bring good results.

Dalton.

The many friends of the family were greatly grieved to learn of the death of Mrs. Eliza Dalton, which occurred at the home, on Crab Orchard pike, Monday. She had been ill only a short time and the death was a great surprise. She was the wife of Phillip Dalton, one of the most prominent farmers in Garrard county. She was a member of the Baptist church, and had lived a sincere Christian life, making many friends who will greatly miss her. The funeral was held at the Baptist church Tuesday afternoon, Rev. C. S. Ellis conducting the services. The burial was at the Lancaster Cemetery.

There's More Good Than Evil.

We are deeply grateful to those people who expressed their approval of what we had to say in last issue regarding lawlessness in Lancaster. No matter how hard a newspaper strives to hold up for its town, not one man in five hundred ever thinks to thank the editor for his efforts. It is no trouble whatever to write up news but when it comes to commenting, a man must weigh every word—newspapers have to be even more cautious than ministers or other speakers. This paper wears the collar of no man or set of men, but we try to be conservative. Our article on the outrageous state of affairs in Lancaster was complimented by the best people in the town. There are ten good people to every bad one in Lancaster, and there is absolutely no reason why the town should continue to be looked upon as the most lawless in the state.

Garrard Should Be Represented.

Gov. Beckham has appointed F. S. Hughes, Commissioner to represent Garrard county in Louisville during Homecoming Week, and it is time for the Garrard county people to get to work and raise the necessary amount to defray expense of buying badges, a register, and pay other expenses in having Garrard county properly prepared to entertain all those who come home to this gathering. The City of Louisville will furnish the buildings in which to place the booths of the different counties, so the expense will be very small and our people should get busy and have all arrangements made at once. The Record would suggest that a meeting be held for this purpose at court house at some near date. Let's see who will have enough enterprise to take this matter in hand. Miss Sallie Ekin has been named as hostess, and a better selection could not have been made.

Cheap Rates To Cincinnati Sunday.

The L. & N. Railroad Company will run its first cheap excursion to Cincinnati next Sunday morning. The train will leave Lancaster at 5.14 A. M. reaching the City about 10 o'clock. The return train will leave the Fourth St. Station about 8 o'clock. The fare for the round trip is only \$1.50 and a large crowd will go.

Pastor Called.

At a congregational meeting at the Presbyterian Church Sunday morning a call was extended to the Rev. Mr. Brown, of South Carolina, the minister who preached here several weeks ago. He comes highly recommended, as a minister and a preacher of eloquence. He has accepted the call and will come to Lancaster within the few weeks to take charge of the Church.

A Card.

It has been reported that the physicians of Lancaster have solicited the taking out of whiskey license by the druggists. We the undersigned emphatically deny that we have asked any one to take out license, and further pledge ourselves to write no whiskey prescriptions under any circumstances whatever. J. A. Amon, M. D., W. Burnett, M. D., J. B. Kinnaird, M. D., J. S. Bosley, M. D., J. M. Aetion, M. D.

A Fine Supper.

The ladies of the Pleasant Hill Sunday School will serve a supper at the Herring School House next Saturday night, from 6 to 9 o'clock. Everything substantial and dainty will be served for the low price of 25cts. The proceeds are for the benefit of the Sunday School, so here's your opportunity to help a noble cause and at the same time get the best meal you ever sat down to. Remember the time—Saturday night.

Enjoyable and Profitable.

The meeting of ministers and members of the South District Baptist Association in this city was very enjoyable and resulted in great good. In addition to many prominent persons from the district, the following well-known ministers were here from a distance: Dr. T. T. Eaton, editor of the Western Recorder, Louisville; Rev. W. R. Briscoe, of Mt. Vernon; Rev. I. B. Timberlake, of Nicholasville; Rev. J. I. Willis, Walton Ky. The talks by these and other prominent ministers and members were greatly enjoyed. The meeting was presided by over Hon. J. Len Bruce, of Danville. At the Saturday afternoon meeting, it was decided to hold the next meeting of the Baptist Association with the Mt. Hebron church, this county. This meets in August. J. W. Edwards was endorsed as missionary in destitute fields.

New Policeman Appointed.

Mr. Herron, who has served on the Harrodsburg police force for many years, has been appointed to take the place held by policeman Pollard in this city. He is an absolutely fearless officer, and, as he is not acquainted with any of the people, cannot play any favorites. The City Council is determined to see that the laws are enforced, so the hoodlum elements, may well decide to haul in their horns. Mr. Herron comes well recommended as a careful conservative officer.

Important Lecture In Lancaster.

Through efforts of the Kentucky State Medical Association the services of Dr. J. N. McCormack have been secured, and he will deliver a number of speeches to the laity at different points through the State. He will talk upon matters of vital importance to the health of the people, and everybody is cordially invited to hear him. He will speak at the Court House in Lancaster on Wednesday, May 16th, at 7.30 P. M., and it is hoped all who can will hear him. This State Medical Association is doing all in its power toward protecting the health of the people and everyone should lend a hand to the physicians.

Many Snakes This Spring.

It looks very much like this is going to be a good crop year for snakes. Ringed and black snakes seem to predominate, although some cow snakes and a few blowing vipers have been encountered. The latter is not only venomous but aggressive. While drilling oats a few days ago in a field North of town, Mr. Malcolm Tillet ran across two large cow snakes and succeeded in killing them both, although he had some trouble in doing so and narrowly escaped being bitten on the leg by one of them. He saved himself by a quick jump. The owner of the field charged Tillet fifty cents each for these snakes, claiming that he needed every snake of that particular species that he could get hold of to rid his corncribs of rats and mice. The statement was made that for this purpose one good snake is equal in value to about four cats.

On the same plantation a few days later, Dave Ross, while loading poles on a wagon in a cane thicket, was attacked by a large, spotted reptile of an unknown species. Just as he was stooping over to pick up a pole, it made a vicious lunge at him and fastened its fangs in his hat, tearing out a part of the brim. Ross uttered a shriek of horror and dashed for a tall rail fence, over which he leaped in a palsy of terror. He soon recovered his wits, however, and returning to the spot mauled the life out of the reptile with a club. It was six feet long and a beauty.

MAJESTIC BAKING DEMONSTRATION

Beginning Monday, May 7th, 1906

We heartily invite our friends to call any day during the above mentioned week and we will demonstrate the superior qualities of the

New Majestic Malleable and Charcoal Iron Ranges.

The majestic Malleable and steel range as formerly turned out by the Majestic people has been considered throughout the entire country par-excellence, and far ahead of any other range made. But with the New Charcoal Iron Body in place of Steel, making it double its value, and the fact that it is the only range in existence made of Malleable and Charcoal Iron, you can readily see that if quality is considered, the Majestic leads by a big margin. We want you to call at our store during this week, and let us explain this new feature:—Charcoal Iron Bodies; let us explain why it is the best material for range bodies, and incidentally, why it is not used on other ranges. We want you to call if you intend to buy or not, as the information gained will serve you in the future.

HOT! COFFEE AND BISCUITS—FREE

Come any day during this week and have buttered hot biscuits and hot coffee. Biscuit baked on a Majestic in three minutes while you wait.

HANDSOME SET OF WARE—FREE

With every range sold during this Demonstration we will give absolutely free, one set of Majestic ware worth every cent of \$7.50. This ware will be on exhibition at our store. Everything useful, ornamental and durable. Come in and see it, and you will agree with us that it cannot be bought for a cent less than \$7.50, and it is cheap at that.

Come in any day, you are welcome whether you intend to buy or not

Lancaster, Ky., May 4, 1906

Our recent misfortunes should in no way discourage the good people of Lancaster. There is no town or community that does not have its troubles in some way. Until one year ago nothing out of the ordinary had happened in Lancaster in many years to mar the perfect happiness of the inhabitants. Let us strive, and use every honorable means that lies within our power to prevent a recurrence of the recent disgraceful and outrageous proceedings. The opposition to peace, law and order is a very small part of our population. In fact too small to reckon with if the citizens take the matter in hand by standing up for the officers, and the courts meet out heavy punishment with a heavy and firm hand. Let it be said that this will be done in the future.

We affirm without fear of contradiction that no better, law abiding, God fearing people live anywhere than can be found right here in Lancaster. Wrong has never prevailed and wrong will never prevail. The devil gets in his work occasionally when he finds a knot hole through which to vent his venom. Peculiar circumstances develop at times by which crime intrudes itself in all its horror and dread, but which could not be foreseen and prevented by any human agency. This condition is not confined to Lancaster. Close readers of the daily newspapers know that in all communities, and even in isolated places, murder and crime occur daily notwithstanding the undisputed fact that there are more good people than bad people.

Therefore we repeat we need not feel discouraged even though we do feel depressed and regretful. In speaking of your town do so cheerfully. Be loyal and uphold it. It is your home. You live here, possible born here. Your property interests are here. May be your best and truest friends live here and in no place is the call of charity more quickly responded to or the needs of the sick and poor more carefully ministered to. Say nothing then in disparagement of your home town. Should you hear others do so call them down in a kind way. This is only your duty and you owe it to your home and to your community of which you are a part.

Remarks are often lightly made in jest, which are repeated seriously and may have evil results. Guard against making ever so small a statement that could result in affecting the interest of others be it ever so small. In doing so you are only tearing your own shirt. Do not delude yourself in thinking you can separate your interest from the general interest of your home town. And now citizens, friends, comrades we urge and command you to stick up for your home. We cannot expect outsiders to do it therefore we must, for we feel that all will work out for the best, town and the best people on earth.

Editor Harry Sommers' special edition of the Elizabethtown News is the best work of that character we have ever seen. The people of his town should feel very proud to have an editor of so much enterprise. In addition to unlimited energy, he is one of the cleverest fellows in the world. Long life and unalloyed happiness to our good friend.

Mrs Margaret Robinson died at her home here Friday afternoon. She had just passed her 94th year. For three quarters of century she was a devoted member of the Presbyterian church, attending upon its services until a little more than a year ago. She retained her strong mental faculties until the last. She was ready for the summons. Her friends which are legion extend sympathy to the bereaved. The family of Mr Margaret Robinson wishes to thank their friends for their kindness during the illness of Mrs Robinson.

HARRISON McDONALD.

Capt. Throckmorton's Fine Pendleton County Chestnut Gelding Sells for \$1,000 Cash.

Readers of the Pendletonian in Falmouth and vicinity will recall Harrison McDonald, a handsome chestnut gelding raised at Ben Epperson Stock Farm and often seen on our public thoroughfare. Capt. Throckmorton had a number of tempting offers for this splendid horse but promptly declined them as he well knew what a treasure he possessed. Last week, however, a stronger bid than ever before was made by a Boston gentleman and the horse has passed to a new owner. That Capt. "Throk" parted company with the splendid animal with more of regret than gladness even at the fancy price is evidenced by the report of sale published below:

Editor Pendletonian:—You will please insert in your issue of this week the following: I have sold the chestnut gelding, Harrison McDonald, registry No. 2129, first dam Dolly Chief by Harrison Chief No. 1606; 2d dam Carrie Almont by Abdallah Mambrino 3715; sire McDonald Chief 1451, grand-sire Rex McDonald 833, to a business man of Boston, Mass.

When you breed to such horses as Simmons, Rex McDonald and Harrison Chief, you will find no trouble for the sale of their produce, as they are of the best to be found in the State.

Harrison McDonald was raised in Pendleton county, and I believe that he is the highest priced horse of his kind that ever has been sold, or possibly will be, from the county of Pendleton. This is the kind of stock I handle, and when my friends want to get good prices for their stock they must have them well bred. This horse was sold for \$1,000 cash—no commission, no take off and no dealer's rate. Don't forget to call at the Ben Epperson Stock Farm when you want something good.

Yours truly,
J W THROCKMORTON.

Not as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened is pleasant to take. Every family should be supplied with it. Sold by R E McRoberts the reliable druggist at Lancaster. 1m

Miss Bettie Broadbuss

I would like to thank the kind people who have been so good to us in our time of trouble, and I feel that I can not never thank the good people of Lancaster for their loving kindness they have shown us in the last hours of our beloved one, that has been so true to all. May God throw sunshine into every human heart that is now shadowed that was once sunshine. The Lord giveth and the lord taketh away. He is not dead but only sleepeth. Thanks to the friend that was like a brother, the loyal man who has walked with my husband, who has passed from time, a friend who has stayed by him for the past month, walked with him in the dark valleys on duty while alive and stood by him in his dying hours, a hand to soothe his weary head. May God's blessings ever be with such a friend who did all he could for me in my trouble and granted every request that I asked.

I cannot find words to express the many thanks that I owe such a friend my soul goes up in prayer to our Heavenly Father that they may be one such as he has been to stand by him in his last hours when the death angel shall come to claim his own.

Is Dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by R. E. McRoberts the reliable druggist at Lancaster, 1m

BETTIS.

Services are being conducted at this place by Rev. C. S. Ellis.

Mr. and Mrs. J. P. Holtzclaw of Preacherville visited here Sunday.

Mr. Thiver Lamb bought one milk cow from Robert Naylor for \$18.

The ladies of this community will give a supper at Pleasant Hill Saturday night May the 5th. Admission 25c.

Wednesday morning while playing by the open fire the little three year old daughter of Mr. and Mrs. E. S. Bourne, caught fire and the mother in trying to rescue the child badly burned her hand. The physician was called at once and the wounds are healing nicely.

Sunday morning about two o'clock the spirit of Mr. Alex. Bourne took its flight to a brighter and better world. Mr. Bourne was 83 years of age and having enjoyed remarkably good health until a few weeks past when he was taken to his bed. He was born and raised in this community and was a faithful worker. He never was known to harm any one, and was a good man. He leaves a widow, three daughters, six sons, and a host of friends to mourn his loss. He was laid to rest in the Lancaster Cemetery Monday and a large crowd attended the funeral.

[We loved him, yes, we loved him. But angels loved him more. To you, dear shining stars, we commend his soul.]

The golden gates were opened. A gently voiced said "come". And with fervent unspoken, he calmly entered home.

Scietica Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by scietica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle effected a permanent cure. If troubled with scietica or rheumatism why not try a 25 cent bottle of Pain Balm and see for yourself how quickly it relieves the pain? For sale by R. E. McRoberts the reliable druggist at Lancaster. 1m

NABOTH, JR.

Naboth, Jr. is a rich red bay, six years old and full 16 hands high, weighs 1225 pounds, and is a horse of wonderful beauty, having a long, rangy neck and carrying a fine tail. He is a perfect horse with superb all round action and like all sons of old Naboth he has great natural speed in harness and a greater racking horse can not be found in the State of Kentucky. I have been a dealer in fancy horses for ten years, furnishing them for all the markets in this country and I am anxious to encourage the breeders of horses to continue to raise better ones. As is generally known there is a scarcity of good horses, and those suitable for the Eastern market bring fancy prices. If the breeders would raise the kind of horses they must take the mares to the right kind of sires. Naboth, Jr., beyond all doubt, is a horse that will produce that type of horses that the market demands, and for which the public is willing to pay high prices. I purchased this great young stallion at a fancy price because he has size, style, action, beauty and breeding.

If like begote this he can get the right kind of horses by breeding to Naboth, Jr. You will note that this Stallion has the blood of Old Naboth, Hambleton 10, Old Messenger Chief, Red Wilkes, George Wilkes, Manbrino Chief, Pilot Jr and Harry Clay.

Naboth, Jr.'s First dam by Messenger Chief, Jr. by Old Messenger Chief. Second dam by Cris Davis, by Red Wilkes, Third dam Thoroughbred.

Naboth, Jr. will be kept during the season of 1906 at my stable in Lancaster, Ky., and will be permitted to serve mares at the very low price \$15.00 to insure a living colt.
